Friends of St. Christopher's EYFS unit

Joshua preparing presents to send and Poppy 'Being a Teacher'
and reading a story to her friends

As all children are getting excited and we are preparing for festive fun. There are lots of happy events towards the end of our Autumn term. It is mixed with sadness as we say goodbye to very special friends of St. Christopher's EYFS unit. Joshua and Poppy Kinniburgh leave for the UK next week, so as we say to all our children who leave, you will always be a friend of St. Christopher's but your new school will be very lucky to have you.

We are also sorry to see Mrs. Amy Kinniburgh leave us as she has taken a very active and supportive role on our SGC as a Parent Governor.

The Kinniburgh family will be very much missed in our Command community, Sunflowers enjoyed having Henry join them and have also enjoyed working with Poppy and Joshua. We wish them all the very best in their new adventures.

 Next week in the snack café

Monday	Apples & melon
Tuesday	Bananas & custard
Wednesday	Pears & oranges
Thursday	Yoghurts and fruit
Friday	Cereals and apples

Just so parents are aware we have booked a very special visitor with a red suit and beard to visit all the children on Friday 15th December.

Also, as I know it is a hectic time of year, please do not worry about getting any clothes for the Christmas play we have all costumes sorted, just come along on the 18th and enjoy the magic. The children are amazing us and it will be magical and very special for all taking part.

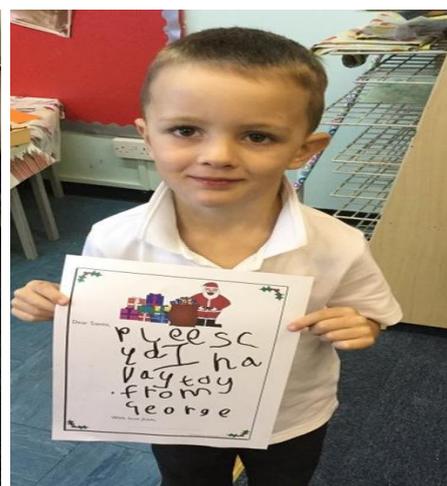

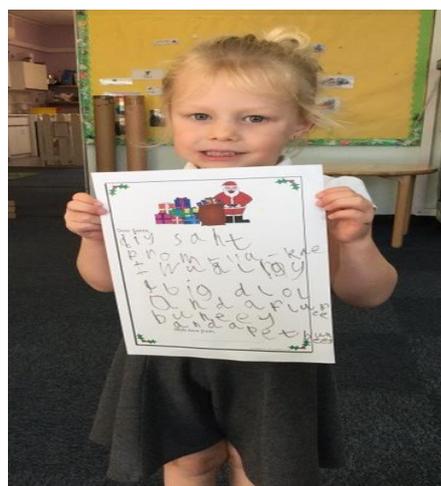

We will have a Christmas party on Wednesday 20th December, they can wear party clothes. No need to bring anything treats provided by school.

**No deadline for
the Union Jack
flags, but
whenever you
can we are
ready to receive
and put them on
display. The
ones we have
had so far are
amazing, thank
you**

Making a sledge for Father Christmas

Writing our wish list to send to Father Christmas

We may not have real snow, but we can pretend

Do you get the feeling we are looking forward to Christmas?
